To whom it may concern:

I am writing this letter of recommendation on behalf of Bridgette Alan. Bridgette has been a student at Ohio Valley University since the fall semester of 2006. During her time here she has grown into a responsible student and member of the OVU campus family. I currently have the privilege to work with Bridgette as her academic dean, teacher, and faculty athletic representative to the NCAA.

Bridgette's cumulative grade point average has increased each semester here at OVU. She has developed a good work ethic in all that she does and is driven to succeed. OVU's mission is to transform lives and I can truly say that Bridgette is a wonderful example of a life that has been transformed. She always puts forth maximum effort and participates in a positive way in the classroom. She has earned respect from the business faculty at OVU. On the athletic fields Bridgette has worked tirelessly to help the team and maintains a positive attitude and spirit of sportsmanship.

I have always known Bridgette to be friendly, respectful, and considerate. I have no doubt that Bridgette will experience great success in her future endeavors. If you would like to discuss this fine young lady further, please do not hesitate to contact me at 304-865-6131 or at steve.morgan@ovu.edu.

Sincerely,
